A Brief Recap of our Past Semester

From our 10 Year anniversary ...can you find yourself?

This past academic year for Beta Chi, was one full of wild mixers, heart filled service events, the welcoming of new gentlemen to our brotherhood, and the passing of the torch from our graduates to an active body of 50 undergraduates strong. With Alliance 10 having its largest turnout since its inception, and with several service events that catered to helping the local community in Austin, Eta Chapter's presence at UT has been at an all-time high.

2402 Rio Grande St & Eta Chapter Alumni Council

Beta Chi House

This upcoming academic year, Beta Chi Theta, thanks to the dedication and persistence of now alumni, and current actives was able to secure a house on 24th and Rio, right across from Delta Gamma and Cain and Abel's. Not only is this house in a prime location in West Campus, what many would consider UT's "greek row", but it is also the largest house Eta Chapter has ever occupied. This house will be the new home for 17 actives, and will have a parking lot large enough to safely house 12 cars. For this reason it is of the utmost importance that we resign this house in the upcoming years, and maintain this house as our home at The University of Texas.

In order to do so we are going to need to work together, as undergraduates and alumni, to give back to the chapter we so fondly know, and have grown to love. Any donation you can give, whether that is mentorship, a monetary donation, or old furniture will be utilized by the chapter in the best possible way to help nurture Beta Chi and continue our steady growth.

Below you will find a donation link that leads to our chapter website where you can choose to donate on a monthly basis or give a lump sum. In addition, you can view a list of those who have donated. Any funds donated will be strictly controlled by the Eta Chapter Alumni Council, and only be used for approved expenses.

Eta Chapter Alumni Council

As part of an effort to help establish a scholarship fund for Beta Chi Theta, we have also decided to establish the Eta Chapter Alumni Council.

The council will serve as a connection between the undergraduates of Beta Chi and the alumni. With jurisdiction over where the Alumni donation fund will go, as well as with voting privilege over scholarship recipients, we see the council as a way to advance the Chapter by acting as an external mentor.

Included in this e-mail is an overview of the scholarship, which includes how the scholarship will be implemented and how it will be vetted. Please read over the brief document and try to support the establishment of this council and scholarship in any way possible.

We look forward to hearing from you,
Zain Bacchus
Vice President
